

Georgetown Chamber's Wall of Champions

Since 1927, the Georgetown Chamber of Commerce has been an integral part of Georgetown's growth and the success of many of its member businesses. Now more than 1,100 members strong, the Chamber is the second largest in Central Texas, second only to Austin which has a population ten times the size of Georgetown.

After years of planning, the heavy equipment and construction crews are on site. The objective is to more than double the size of the Chamber's existing facilities. The expansion will allow us to continue to serve our growing membership. Completion is expected in July, 2009.

The Chamber's Capital Campaign allows individuals and member businesses to give back to the organization in a variety of ways, including the Wall of Champions. Give back to this organization which has already made a profound difference in our community and your business. Purchase a tile(s) in the name of your business, your individual/family name, or both! (Please, no "In Honor of" or "In Memory of.")

Your inscription must fit into the white boxes below, one character per box. Each tile paver can have a maximum of 15 characters per line. A character is defined as a letter, number, space or punctuation mark. Please do not use special characters.
